Overview

Coastal Counties Workforce, Inc. (CCWI) is the grant recipient and administrator of Workforce Innovation and Opportunity Act (WIOA) funds -- Title IB Adult and Dislocated Worker programs in the Coastal Counties region. The WIOA Title IB Adult and Dislocated Worker service provider in this local area is Workforce Solutions, operated by Goodwill Northern New England.

Dislocated Worker Program

The WIOA Title IB Dislocated Worker program is designed to help workers that have lost employment get back to work as quickly as possible and overcome barriers to employment such as: difficulty transferring specialized skills to other occupations or industries; or a decline in the market demand for certain skills. It also helps separating service members to enter or reenter the civilian labor force. While some dislocated workers are called back to their jobs or are able to independently find new employment, many others may need assistance in finding or preparing for new jobs.

Adult Program

The WIOA Title IB Adult program helps job seekers who are at least 18 years old succeed in the labor market. Adult program services provide career and training services through the local One-Stop system. Through the provision of individualized career services and training services, WIOA establishes a priority for serving low-income individuals and recipients of public assistance, as well as individuals who are basic skills deficient. Veterans and eligible spouses continue to receive priority of service for all U.S. Department of Labor (USDOL) funded programs among all participants.
